CHAIRMAN MESSAGE

Star Services is the UAE's leading supplier of primarily oil and gas, petrochemical, engineering, technical and non-technical, and administrative manpower to an impressive range of multi-national corporations, companies, and UAE government departments. Star Services also plays a major role in providing diverse positions for other demanding projects related to construction and large infrastructure, alternative energy, security, education, and transportation.

As a result of its stellar 25-year history of providing quality personnel to quality companies, Star Services has become one of the UAE's top manpower providers. Our strong brand enables us to attract the best candidates, while our thorough screening among a host of considerations, allow us to select the right candidates for any set of hiring requirements.

Most importantly, however, the Star Services team of HR experts, lawyers, accountants, and support staff do more than just oversee recruitment and hiring.
